

Boston PowerPlay!

A *FIRST* Lego League Festival

March 8, 2008

8:00-3:30 PM

At Wentworth Institute of Technology Watson Auditorium

- **Watch 4th-8th grade students and their robots compete in the Power Puzzle challenge!**
- **Learn more about alternative energy sources and how we all can “solve the Power Puzzle”!**
- **Come see some of the best young minds in Boston in action!**

***FIRST* LEGO League (FLL) is an exciting and fun global robotics program that ignites an enthusiasm for discovery, science, and technology in kids ages 9 to 14. Each year FLL teams embark on an adventurous challenge based on current, real-world issues. This year's challenge is Power Puzzle, which encourages students to think about sources of energy that we use in our everyday lives.**

**This event is completely free and open to the public
